

2017 Recycled Ornament Contest

Rules and Regulations:

- 1) The ornament must be made of recyclable materials. Glue, paint, glitter, floral wire, etc. can be used, but the main emphasis of the contest is to see what can be created with recyclable items—ideally, we could place most of your Christmas ornament in the recycling bin!
- 2) Ornaments should be no more than 6”x 6”x6” in size.
- 3) Ornaments should be lightweight enough to be hung on a tree.
- 4) The ornament must have a hanger or hook.
- 5) The materials cannot pose a safety hazard to the creator or those enjoying the ornament! Avoid the use of sharp, toxic or easily breakable materials.
- 6) Perishable items can’t be used.
- 7) A 3 x 5 card should be **SECURELY** attached to each ornament listing the following:
 - A) School name & teacher name
 - B) Student’s name and grade
 - C) Parent’s address & phone number
- 8) **Deadline: Friday, December 1st at 4 p.m.**
- 9) Turn in entries at the Miami County Sanitary Engineering Office, located at 2200 N. County Rd. 25-A, Troy.
- 10) Ornaments will be returned to the teacher who submitted them after December 1. Please make a note if your ornament needs to be returned before that date.

Entries will be judged by grade group: K-2, 3-5, 6-8, and 9-12. Prizes will be awarded for the 1st, 2nd and 3rd place winners in each grade group!
